PAYS \$50,000 CASH
FOR TOGGERY GROUP

One of the big sensations at the Tonopah hotel occurred when Thomas J. O'Donnell, the Denver attorney, handed a certified cashier's check for \$50,000 last night in the lobby to James Grimes in payment for the Toggery group of claims. In addition Mr. Grimes insisted on receiving 200,000 shares of stock in the company which will be organized in Denver. The claims adjoin the Gold Zone, Grimes Divide and Silver Divide. Harry Stimler negotiated the deal. Before leaving for Denver Judge O'Donnell gave orders for immediately beginning work on the Toggery group about which he came from Denver. This will be pushed with as many men as can be hired.

TWINS WILL GREET A GOB
ON HIS HOME COMING

Lewis E. Haviland, who was with the North Atlantic patrol chasing subs during the war will be greeted to a greater surprise than when he potted his first sub, for he will be greeted by twins which arrived this morning at 8:30 o'clock at the home of his mother, Mrs. Haviland, where the daughter-in-law is a guest. They are a boy and girl, the former ranking his sister by minutes. The boy weighs seven and the girl eight pounds. The mother was formerly Miss Helen (Gibbs) of Halifax, N. S. The grandmother is reported as bearing up bravely.

PURCHASES CONTROL IN
LOVELOCK HOSPITAL

Controlling interest in the Lovelock hospital association passed to Dr. E. K. Smith, formerly of Tonopah, when Dr. J. A. Russell closed the negotiations which have been pending since Dr. Smith returned from war duty.

The hospital association was formed by Dr. Russell three years ago, growing out of the necessity for a local hospital for the treatment of accident cases in the near by mines, which previously had to be taken to Reno or coast hospitals.

FUNERAL OF MRS. CORANKIE

The funeral of the late Mrs. Lotte Corankie will be held from the undertaking parlors tomorrow afternoon at 4 o'clock. Short service will be held by Rev. H. L. Gratiot and interment will be made in the local cemetery.

Records of Fighters
Entered for Big Event

With the big middleweight battle only six days away both Lloyd and Welch were again on the road early this morning doing ten miles each, while the firemen's gym was again crowded to see the boys go through their conditioning stunts this afternoon. Both fighters are in splendid shape and by the end of the week will be ready to step in the ring at the Alamo next Tuesday night at a fiddle and a fast, grueling contest is looked for. Betting on the result of the battle has commenced in earnest and one big mining man in earnest and one big mining man placed a \$250 wager on the sailor last night which was taken by a pool of local sports who like the looks and chances of Welch. For the benefit of the fans a short ring history of both boxers is given.

Lloyd's record—Draw with Billy Murray at San Francisco in four rounds; won from H. Hendrichs at San Francisco in four rounds; draw with Zulu Kid at Philadelphia in six rounds; won from Billy McCabe in four rounds; won from three fights of four rounds each; won from Al Nelson in four rounds; defeated Kid Carter in four rounds and knocked out Paddy Landry, Joe Tobin and Jack Hart; beat Jack Hall and Young John Heenan in

BELCHER SHAFT
400 FEET DEEP

Manager Roberts of the Belcher and Belcher Extension companies, made a discovery yesterday that the shaft on his balance for a year time. The shaft was a hole that looked like a tunnel, but it was a shaft and it was 400 feet deep. This will effect a saving of about four months in time and \$30,000 in cost money. The shaft is located on the old site of the Belcher mine, which it had been closed and abandoned for years. The shaft was found by the company's geologist, who was working on the old site. The shaft is now being worked up from the old site.

HASBROUCK LEDGE
FOUND NEAR SURFACE

The Hasbrouck ledge was cut yesterday on the Hasbrouck Divide at a depth of ten feet with \$12 values and the indications are that it will be picked up in the Aztec Divide which is under option to Southern Pacific officials and being worked under the personal direction of William Ford, lately of the Bonanza mine. The latter has ordered a Fairbanks-Morse 40 h. p. engine for the hoist and will proceed with the erection of a galloway frame which was bought in Goldfield.

MAY BUY CONTROL
OF DIVIDE CON.

A conference was held last night between the Miller interests and the agent of leading eastern operators who are seeking control of the Divide Consolidated. The basis of the trade is not known, but it is understood to have been at a figure that was considered attractive enough for the proposition of the movement to continue the subject which will be taken up this evening. The names of those who are trying to get into this property will be a surprise when made known, as the chance will bring in new blood representing one of the largest eastern firms.

START WORK ON OPERATORS

Work on the Operators group adjoining the Rosetta began this morning by starting a new shaft. The contract calls for the first hundred feet. Julius Goldsmith is president, A. T. Raycraft, vice president, and Thomas F. Lynch, secretary.

ANOTHER SUCCESSFUL
GOLDFIELD LEASOR ARRIVES

Charles F. Pugh, owner of the Aleyone mine of Outman, Ariz., and who promoted the Sewer System in Goldfield, also one half owner of the Peer-Pugh lease of which produced a million dollars on the Florence, is here looking over opportunities for investment in the Divide District. He says it has a most remarkable showing and predicts a great future for that district.

EVERY INCH OCCUPIED

The Mizpah hotel space is occupied to the last inch. During the past week space was taken by Miss Alice Dumont for a stenographer's desk in the lobby, the corner of the basement will be taken by a barber shop and the side basement with entrance from the outer stairway has already been taken by a sign of Charlie Kirchen displayed in black and gold to inform the public that one the best mine engineers in the state has established himself in Tonopah.

MIZPAH BAR RE-OPENS
UNDER NEW MANAGEMENT

The former Mizpah bar has been reopened as a soft drink emporium under the management of George Beckley and Sherman Locke. The house will be conducted along the high class lines which have always distinguished it and patrons will be pleased to meet with the two genial waiters as the men behind the buffet.

ARCHANGEL, April 9.—A delegation of American and British officers under a flag of truce, penetrated the Bolsheviki lines today to negotiate an exchange of prisoners.

BUILDERS MAKE
A LOCAL RECORD

Twenty-five men and eight teams were busy this morning on the new building site of the Brougher-Wingfield offices. The owners are setting an example of their method of doing business which is exciting general comment. The architects arrived yesterday morning at 6 o'clock. They took breakfast and were on the job at 7 o'clock. At 10 o'clock teams began delivering lumber, nails, sand and cement and this morning the interior of the ruins were the scene of the hottest mucking contest ever witnessed here.

SOMETHING DOING
ON THE MARNE

Public announcement has just been made of the organization of the Marne Mining company, although the organization of the company actually took place about two weeks ago. The prime movers of the company are well known business and professional men of Tonopah, who are affiliated with old mining companies in Tonopah.

The company owns a group of seven claims, namely, the Marne, Marne Fraction, Windfall Fraction, Windfall No. 2, Windfall No. 3, Windfall No. 4, Windfall No. 5. The group is well situated and has a favorable surface showing. On the north it is bounded by the Big D. Mine. The company is being incorporated by A. A. Codd of Reno, on the south it joins the Mighty Western group, and the Rosetta.

The officers of the company are: President—Roy Q. MacDonaid. Secretary-Treasurer—Emil Elker. Executive committee—A. F. Carter, W. R. Bozarth, H. A. Johnson. The above gentlemen, with Hugh Henry Brown, constitute the board of directors. The treasury stock has not yet been offered, though considerable blocks of it already have been spoken for.

It is expected that within a short time there will be "something doing on the Marne."

DEATH OF SIDNEY DREW

(By Associated Press.)
NEW YORK, April 9.—Sidney Drew, actor, died here today.

COME FROM PARIS TO
TONOPAH TOGETHER

A friendship formed in a Paris hospital was responsible for bringing two doughboys together on the desert in New country. One of these, George De Baby, arrived yesterday, and the other, Corporal Runyan, V. torres, came in this morning and continued on to Round Mountain where his buddy secured him a job at watchman with the Round Mountain Mining company. Both lads are casualties and it will be several months before either is able to do hard work. The boys met in the hospital where lorns had been sent after receiving a serious wound in the shoulder during the battle of Compiegne on the Champagne sector. There he found DeBaby on an adjoining cot. They were together occupying adjoining beds and the voyage across found them together without any previous arrangement. When the casualty train started west the berths of the boys also adjoined and when lorns was released from the hospital the first man he met was his buddy who had seen Louis D. Gordon, president of the Round Mountain Mining company with headquarters in San Francisco and was ready with an offer of a job which was gladly accepted. Corporal lorns hails from Boise City, Idaho.

COMING OF GEORGE WASHINGTON
TRANSPORT TO BREST HARBOR
DENOUNCED BY GALIC CRITICS

(By Associated Press.)
PARIS, April 9.—Harsh denunciation of the American delegation by the French press which charges that ordering the transport George Washington to Brest before its regular time is nothing short of blackmail, have not affected the American delegates who apparently are not surprised at the newspaper criticism. While the Americans repeatedly reaffirm their belief that considerable progress has been made in the last three days. One member said today: "It is not a bad idea to have a ship at Brest ready for our return."

"We do not accuse our allies of forgetting what France has done," says Le Matin says today, "but nevertheless we witnessed a curious thing yesterday. American propagandists, or newspapermen, knowing that President Wilson had summoned to Brest the ship which is to take him back to America, saw in this natural order an opportunity for

WATER IN RIVER
NOW "COMING UP"

Six feet six inches of water were recorded on the measuring pole in the middle of the Humboldt river at this point at noon today, observers saying the water had risen from six feet since last night. Appearances indicate that if another foot or so of water reaches here, as is anticipated, the water will overflow the banks and flood the lowlands.

PASSENGER RATES TO
BE CHANGED ON S. P.

Considerable change in the passenger fares between all points on the Southern Pacific and other transcontinental lines will be made effective about April 10. The new tariff schedules are distributed.

New tariff schedules for the Salt Lake division of the Southern Pacific have been received but make no great changes in the present fares between points on the division.

WHEN NATION GOES
DRY NEXT JULY

(By Associated Press.)
WASHINGTON, D. C., April 9.—Three thousand internal revenue agents working in specially arranged zones throughout the United States will enforce prohibition after July 1, according to plans announced today by the revenue bureau.

Nearly 800 inspectors will be trained for the work to be added to the force of 2283 revenue agents already available for police regulations. Machinery for enforcement will be in working order before the date when absolute prohibition becomes effective.

This force of special agents will be distributed among the district where law violation is threatened to the largest extent. Special attention will be paid cities where revenue officers expect the most persistent efforts to make whiskey illegally.

ODESSA GIVEN UP
